The Affordable Care Act (ACA) arrives in Mendocino County

Marianne McGee, Resource Development Director at Mendocino Coast Clinics, Inc. breaks down the Affordable Care Act (ACA) and what it means for you.

"Today, you can have a fabulous expendable income and not even be able to buy private health insurance if you have what the insurance company considers a "pre-existing condition". If you get sick and need extensive treatment, your insurance company can stop paying your expenses because you have reached your annual limit. You can be charged more for your coverage because you are a woman. All these disastrous scenarios will change dramatically on January 14, 2014..."
