

Round Valley Resources

Currently, Round Valley Indian Health Center administer a **local food pantry**. Funding for that food distribution is from a private foundation and we currently spend about \$250 a month to distribute food to about 75 families. We're coming to the end of that grant so we're not sure if we can continue to provide free food to needy families/individuals. The food pantry is distributed at the **Round Valley Family Resource Center**, 76471 Henderson Lane, Covelo. 707-983-6262

The Tribe administers a **senior food program** providing meals on-site and home delivery. The on-site program is open to all seniors in Round Valley. This is funded by the Area on Aging and supplemented by tribal resources. **The Round Valley Indian Tribes Senior Center** is located at 77826 Hwy. 162, Covelo. 707-983-6556
