

Evidences of success ("What it would look like/What would be happening if successful") are written at bullet points. The top 2 first priority areas identified by the group should be highlighted.

Childhood Trauma VICTORY CIRCLE

- 
- Fewer discipline problems in Elementary Schools
 - Higher academic achievement
 - Happier, healthier people
 - Every community leader knows what ACEs means
 - Support for at-risk families – Differential Response (DR)
 - Reduced substance use
 - Lower childhood obesity
 - Teacher retention
 - Pregnant women would make adoption part of their family planning options
 - Fewer children in foster care
 - Cycle of unwanted children/children in foster care has stopped

Identify two elements of the Victory Circle to focus on (highlighted in yellow). These evidences of success will be used as strategies for achieving our vision of successfully improving Childhood Trauma. Develop actionable goals to accomplish across 4 phases over the next year.

Community Leaders know what ACEs means:
